

GROOVIN' ALPS

THE LADDERMEN SHOW FROM GERMANY

**Christian
Schichtl**

Christian Schichtl

After studying at the Hochschule für Musik, Christian has been employed as a drum teacher in the local music school and he also works as a music teacher in the elementary school of the little village in Bavaria, where he is living with his young family.

At the weekends he often appears with the wedding band "Haunah". During the weddings, he is not only responsible for the perfect groove, but also for moderating traditional Bavarian wedding practices, such as the "bride kidnapping" or the "wine bar".

Even though Christian is deeply rooted in Bavarian traditions, his musical interest beside folk music is focused on progressive rock, therefore he joined the band "Schizofrantik" in 2018.

August 2018 he joined the GROOVIN ALPS for the first time as a substitute performer. Since end of 2021 he is permanent member of the GROOVIN ALPS. In March 2022 he performed 2 weeks with the POWER PERCUSSION and GROOVIN ALPS Repertoire on the Finnish ferry VIKING LINE.
